“ Our children called him "PaPa" Charles. He had a heart of gold and we feel very blessed to have had him and "Nanny" Ranae in our lives. He will be missed and loved always.

“ Ranae & Family:\r\n\r\nAs you know Charles and I were best pals. We attended school together, played in bands together, and participated in many events together all the while enjoying each others company. Our friendship has endured through out the years. One of my best memories with Charles occurred several years ago when you and he visited us on our property in Old Town, FL. You and Inez fell asleep while Charles and I watched cowboy movies all night. Charles was a real gentleman in every since of the word and I miss him already more than words can tell. I loved Charles and I wish him Godspeed in his journey into the eternities.
