“ I remember 2 or 3 years ago..me and Danny were catfishing down on the Econfina. We heard a truck come up and stop. It was Mr. Albert.. "hey what yall catchin?" Nothing we answered. He told me. "Terrie give me your line" I did. He set down on a 5 gallon bucket, pulled out his pocket knife and cut a big hunk of chicken liver and wound it up and around on that hook. Then he told me "Now you take and throw it right down the middle of that river. That current will bring it back into this deep hole. In a few minutes you'll have you a good catfish" So of course I did just what he told me...and in just a few minutes..my reel bent over and I pulled in a big catfish! Just like he said!! Mr. Albert we are gonna miss you..but I know Heaven is a wonderful place...and even better with you there! Dewayne said it best " Ol catfish king"
