“ I knew Berry Martin B.M. 40 years ago at NFJC Madison Florida 1975-1977. He was a good person, smart and hard worker. He worked on his dad's farm, worked at Gold Kist, studied his course work and still manage his time to party with his fraternity brothers. Yes, Berry was my Chi Delta Tau fraternity brother who I always respected. I looked up to him, felt he was open, reasonable and a leader to the new kids on campus. I am happy for Berry that his life was full and God blessed him with two sons and grandchildren. I will never forget his belly laugh! God bless you during this very sad time and for your great loss.

“ Berry Reeves.....My buddy Berry Reeves. There is a huge hole in so many of us today, but I have a slug in my heart. I say goodbye to a friend, a mentor, a refuge in rough seas and most of all a belly laugh when it was needed the most You made me laugh and smile all those years working with you, and now the tear replace the laughs.\r\n\r\nRest my brother....see you on the other side.\r\n\r\n\r\nGary Furman
