She was a big animal lover who adored her dogs and cats and loved sharing stories about them. Cheri was a member of Renewed Life Outreach Center in Greenville, FL and attended there until her health declined in recent years. Cheri loved her family greatly and enjoyed spending time with them, especially her nieces and nephews.

Some of these included, Madison County Memorial Hospital, Tallahassee Memorial Hospital, Florida Correctional Institution and as a home health nurse. Her career eventually led her to Big Bend Hospice, her most beloved job of all. Here she cared for so many patients in the North Florida area with respect, compassion, and empathy. She will be missed by her former patients, coworkers, and family.
