“ My condolences to his family. It has been a true honor and blessing caring for Mr Comer. My first memorable moment with Mr Comer was adding numbers Christina and I were trying to calculate numbers in our head reaching for our phone to use the calculator. In a matter of seconds Mr Comer said 144. Mr Comer adored his grandchildren and their accomplishments, I remember Mrs Comer trying to fix his grandson up with the cute conceigner. I remember he said to me.. My grandson is a good young man and hard worker.. Mr Comer had an ear for listening and a caring heart. Mr Comer loved his children and grandchildren with all his heart that's all he spoke about. I will miss him dearly. May you resting peace. Love Mary

“ I wanted to share these pictures of my mother, Barbara, with her "baby brother", my Uncle Murray. There is a lot of fun, but mostly a huge amount of love in these pictures. To David and Suzanne and family, we pray for comfort, grace, and peace that passes all understanding. We love you all.

The first picture is just Uncle Murray, but I think Mom is involved somehow. The last one is Uncle Murray behind her.

“ *Mr. Comer gave me my first job at Comers Drugstore as a Fountain Clerk. He was so thoughtful and kind. He wanted all of his employees to care for the customers as if they were our family. I will always remember his quite spirit and shy smile. My Mom said great things about him when she was alive. She said she could always count on him to come fill an emergency room prescription whenever they called.*

My prayers go out to children and their families. He left a legacy and will be missed.
