“ My deepest sympathy to the family of Danny, in my young days I knew him as a good friend and remember all the good times when we all hung out at rocky creek and the old skateing rink. In the 70s I worked with his Dad Joe at Perry Truck and Tractor he was an excellent mechanic as was Danny also. Good folks, sure be missed.

Arlene, my heart and prayers are with you. It was so good to meet you through our Lunch Bunch. You took such good care of Dannie and he did his best to participate in our luncheons. Thank you both for giving us the opportunity to be closer to you during the past 2 to 3 years. May he rest in peace and may God be with you.
