“ I was devastated to hear of the death of my dear friend Kay. I miss her so much. I had planned on seeing her this summer. My husband Wayne and Buddy were in basic training together and were friends until the end. We met Kay when the twins were babies and loved her immediately. She was a classy lady (even though she was married to Buddy - haha) and we shared many good times together. My prayers are with the family as I know it is hard to loose both parents in such a short period.

Aunt Kay was one of the sweetest kind heart people I knew. As a child, I got to spend time with my Aunt and Uncle with Mark and Carole camping at Camp Blanding. She always seemed to have a smile on her face, and a joyous laugh. We will miss her, she is at peace with Uncle Buddy once more.
