“ I can now laugh at the night a Florida Highway Patrolman and Sheriff's Deputy (Willie Odom) had me pulled and it just happened to be on Edna's lawn. While I was getting the 3rd degree Edna comes out of the house and starts blessing the LEO out for killing her grass with the cars running. I'm thinking the whole time; now is not the time for that let's concentrate on keeping me out of jail please. 🙏 Edna was a hoot and will truly be missed. So many memories and so proud to be a part of this family.

“ I still laugh to this day about her falling in the boat and loosing her water bottle. She was a good woman full of laughter and always a smile. To sum it all up . . . She was one more hot mess! To Richie, Karen and Donna my heart goes out to y'all!
