“ I loved Aunt Evelyn so much. She was so kind to me and my family. She always opened her home to us for family reunions and even anytime we traveled to Florida. The catfish pond was where my son caught his first fish. She. Had many catfish fries and boiled peanuts. One thing I know she loved her church and the Lord. I know one day I will see her again. She loved. Her daughter so much and was so proud of her. Working a s. A nurse like she did. She loved her dogs, african violets, her sisters and brothers. Love Tina, Mike,Aunt Juanita

“It's difficult to know where to begin to honor Aunt Evelyn. What a beautiful person, who gave her heart and soul to caring for others, as a longtime nurse for Dr. Bibb, as a daughter who lovingly cared for her dad in his last years, and then her mom when Grandma Lily moved onto the property with Uncle Cleveland and Aunt Evelyn. She was an awesome cook and opened her home for many years to host the Mickler Family Reunion. By doing so, she allowed those of us who are cousins to capture priceless memories. The bond we share to this day as Mickler cousins is, in part, due to the generous sharing of her home, along with Aunt Dorothy, because they stayed rooted in Madison and Lee. There were some years the family couldn't travel to be together due to great distances across the United States, but when we did, we came away with wonderful memories as we observed, once again, the close bond that was shared by William, Bob, John, Dick, Trudy, Evelyn and Dorothy. They demonstrated to us what family is all about, that no matter where you are, your heritage matters and we were blessed to be descendants of John and Lily Mickler.

Our thoughts and prayers are with cousin Yvonne as, seven years and one day after Uncle Cleveland went to be with Jesus, she now lays her mom to rest. Rest in complete peace, Aunt Evelyn. You were a shining example to me of what it means to work hard, well past the age that many others retire to the front porch. All of the Micklers were great examples of working hard, standing strong for your beliefs, being patriotic with great love for our country, and putting God and family first. Thank you for all that you taught me as your young niece, and as I grew up, even though you didn't know I was watching. You were truly amazing. I love you and thank you more than you can imagine.
