“ Aunt Faye was such a kind person. She welcomed me into the family and made me feel like I belonged. Truly such a sweet lady. I am so sorry to hear that she passed and I hope that Laville and Marie (and the rest of the family) will find peace and comfort at this time of sadness. Love to the family. Laura and Tony C.

“ I will always smile or laugh, in a good way, when I think of Faye. She always made me feel wonderful as soon as she saw me. She would light up and say, "Hey Kathryn" and give me a big hug. One memory I'd like to share is, we were at Arnold and Faye's many years ago for dinner and I had one job, set the table. I went to grab a huge stack of plates out of the kitchen cabinet and I accidentally dropped them and shattered them all over the counter and floor. I was horrified and the look on my face must have shown as I apologized over and over again. Everyone was laughing hysterically except for me. When Faye finally caught her breath she said, "That's okay Kathryn, that was only my nice dishes." Everyone burst in laughter again and I finally laughed with them although still feeling terrible as I cleaned up the huge mess. She teased me about it for many years and it became one of our fondest memories. Faye gave me the best sister-in-love, in turn the best nieces, in turn the best grand nieces and nephew. I will miss her dearly. To all of Faye's family, may the God of all comfort mend your broken hearts. Love, Bernard
