“ Our prayers and thoughts are with you during these days. Your husband, Diana and children, was a great encouragement to me when my wife Phillis passed away. He was at Trinity College of Florida during those days and assured me that God was in charge and that He had special plans for me. A GREAT ENCOURAGEMENT! I deeply appreciated Guy and look forward to seeing him again! He is very special!!! We had so many conversations together. A wonderful soldier for the King!
