*Angela & Mrs. Mosier,
I am so very sorry for your loss. I did not want to let go of you that day in the grocery store when I found out about Howard. I will have you all in my prayers every day as I am certain this first year without him will be one of th hardest. Try and remember to shed each tear with pride bc each tear is proof of the impact he had on your lives. If he had no impact there would be no tears. And that would be an even sadder day. Howard left your lives full of having had been in it. My prayers will be with you throughout this year and beyond. God bless you both.
