“ John C, Coye, JoeAnn and Nita: I was saddened to learn of the death of your mother. Growing up in Lee, and going to school with you at what was then Lee Junior High School, I remember your mother. I also remember your Dad - Clifford Webb. As we all moved on from Lee - in my case at least - I've lost contact with so many people. So now I only learn of these things when I talk with Lex Webb or read the Madison County Carrier and Madison Enterprise-Recorder. Here I learned of her death from the funeral home's website. So I assume that you will get this message. I do hope one of you will take the time to email me alabamaindependent@charter.net and this way I know you got the message. I know you will miss your Mom. I lost only sister a almost 2 years ago, and I know the feeling. May God bless you all. Don Webb
