“ Uncle Jimmy was a very special man who never wanted a thing from you but always wanted to know how you were. He, more than anyone on Earth asked about how my son was doing after he went through a life-changing injury. He was a kind, funny man. I remember him taking me and a friend/date to see Hank Williams Jr in concert when I was 15 years old. We had so much fun with him driving in his little truck. We laughed so hard that night because Uncle Jimmy made it so fun. Uncle Jimmy loved his music, his wrestling and his television set. He could be quite interactive with it! When I think of you Uncle Jimmy at the holidays I will always think of chocolate covered cherries and flannel shirts! Lol, you were probably so sick of them but never let on. Thank you for being such a great example of how to love someone in spite of themselves. That's a quality you picked up from Jesus. It brings me great peace to know that to be absent from the body is to be present with the Lord. I have great peace in knowing that you are with Jesus now as well as with your beloved Mama, your Daddy and your big brother, Bob. My prayer is that the rest of our family will follow your example of true, supernatural love and have the opportunity to know Jesus and see you again one day. Until I see you again Uncle Jimmy!!

The pictures above were last Thanksgiving at my home. Uncle Jimmy was not feeling well. I will always remember my Dad serving him a piece of pie that night.

One of the funnest experiences I've had was going with him to a wrestling match!! He was as interactive there as he was with his TV!! I have his little truck and I'm not sure I can part with it..it doesn't run but I may keep it just to sit it in and remember him! 😞

“*Uncle Jimmy , you always held a special place in my heart. I enjoyed just sitting and talking to you. You were so caring and always asked me how I was doing. I wish we had more time together but I know you are with my dad, grandma and grandpa. You will always be in my heart I love you.*
