“ Our condolences to Mrs. Hlebak's family. As I long time friend of her granddaughter, Kristin Hlebak, I feel I owe Mrs. Hlebak a special thank you. She gave me something special, a friendship that will last forever and Kristin's family are some of the most generous people I've ever had the pleasure to spend time with. I know Mrs. Hlebak will be missed very much and I know the pain of a loss of this magnitude is great, but find your peace with the Almighty, although I know it is hard to do because I've been in your shoes. My thoughts and prayers are with all of you! Again, my family is so very sorry for this sudden loss of such a great woman. God Bless you all!
