“ Uncle Jimmy was precious. I am the oldest of four children and none of us ever remember him when he wasn't in a wheelchair, disabled because of an automobile accident many years ago. Despite the disability, he was always kind and enjoyed our visits when we traveled from South Carolina to Madison and Lee, Florida where our dad grew up. So many wonderful, wonderful memories of warm summer evenings, running and playing outside with our cousins until the hour grew late. Uncle Jimmy and Aunt Dorothy (I'm her namesake) always extended a warm welcome to my family. The Micklers were a close family when we were growing up and those of us who remain will always cherish the bond we share. Our thoughts and prayers are with Aunt Dorothy and cousin Jim. We love you from across the many miles that keep us apart.
