“ I remember as a young boy going to my Aunt and Uncle's home in Seminole Manor and being dragged behind on a board behind a dune buggy on the sand hills behind the neighborhood. Yahoo ! Uncle John had a hand in the construction of a lot of apartment buildings on A1A from South Palm Beach and Northward on A1A. Unfortunately distance and family situations have kept us from visiting. He was a big help to Gene and Joan with his handiwork around their home. I know he's enjoying the reunion with everyone and I'm sure he would say like Paul the Apostle said (Absent from the body but present with the Lord). And I'm sure he would say to all (What have you done with Jesus ?) See you soon Uncle.
