“ Lisa, I am so very sorry for your loss. Being a mother who lost her own 24 year old son last year, I can truly say I know the depth of your pain. The last time I saw you, we said we have a lot in common. I never dreamed we would also have this in common. I am praying for you to find peace and comfort. I really missed you at my last surgery, and my heart was breaking for you. It still is. Please accept my heart felt condolences. God be with you. Your patient, Theresa Collins.
