“ To the immediate family of June Clemons (Barbara and family, Fanette and family, and Jake and family). I am sorry I did not hear of Junes passing until just about time for the memorial service. I would have come to pay my respects to a loving mother, sister, and wife. I remember the days of summer breaks when I would attend FBC with my grandparents and grew up with Barbara and Art. I would like to say I am sorry for your loss, but I know she is with her Lord now. She is well. Please accept my true feelings in your time of sorrow. \r\nCherie Duckworth Sutton

“ I am so sorry for your loss. May the "God of all comfort" be with you during this difficult time. I have personally found comfort in the promise at 1 Corinthians 15:26 where it states that very soon "death will be brought to nothing". Then, we have the prospect of being reunited with our loved ones right here on earth (John 5:28,29). I truly hope this has brought you comfort and hope. With deepest sympathies, Gracin and family.
