“ *Aunt Kat is my grandma's (Monk) sister. A dear soul she was. I've spent many a year in her company. Oh what precious memories. I know there is a wonderful reunion in Heaven now.*

My name is Debra Good. My son's Jason and Justin Floyd were step grand children of Kathleen Floyd. I only met Kathleen once before my son's grandfather, Jack Floyd died. But I did talk to Kathleen on the phone for many years. She was the sweetest lady, always asking about Justin and Jason and their children. You will probably find pictures of their children in her belongs. I am so sorry for your lose, but know we will see her again someday. I know she is happy.

“ *Aunt Kat was my Granddaddy Carl's younger sister and I loved to go visit her when I was a child. She was always such a joy to be around and full of positive energy. She will be dearly missed by all who loved her.*
