

Kathryn Dewulf

June 28, 1954 - October 5, 2021

Kathryn DeWulf, age 67, sadly passed away, Tuesday, October 5, 2021. Kathryn always said “I love you”. She leaves behind her love and husband of 21 years, John DeFillips of Perry, FL, and her beautiful daughter, Shannon Sullivan of Chicago, which she adored and cherished very much. She is also survived by her mother-in-law Sharon whom she loved and took care of and called “mom”, her sister in laws, nieces and nephews and her large extended family. Kathryn was born, June 28, 1954, in Chicago, Illinois, to her parents, Olga and Larry DeWulf. She has lived in Perry, FL for the last 3 years, coming from Orlando. Kathryn (Kathy) was adored by everyone that she encountered and brought life to every room she entered with her lively spirit and wonderful sense of humor and wit ... she loved singing and dancing around the room. Kathy wrote beautiful poems for her friends and family and took pride in remembering everyone’s birthday. Her compassion for others was endless... she felt things very deeply. Kathy loved her dogs Cookie, Lucky and Peaches, whom are already missing her. Kathy left behind a beautiful legacy and mark on this earth for all of us to remember. We were the lucky ones to have had her in our lives. Kathy will be greatly missed... more than she will ever know. “We love you Kathy”
