“ *My thoughts and Prayers are with all of you. Doll was a mess and loved by so many. She could and would put a smile on your face no matter what you were dealing with. She would put that "you know what" in place to if she needed to. She's going to be missed by many. Her work on earth is done. It's her time to be renewed and rejoice. RIP my friend. I know she and my family are talking some "you know what".*
