“ Brenda, Mack and Ricky,\r\n\r\nGary called me and told me about your dad"s passing. I had just been talking to my stepmom Esta asking if she had heard from your dad recently, as we didn"t get our usual Christmas card from him. We are so sorry for your loss. As you know he was a real testimony to our Saviour...a very sweet unselfish man. I will never forget that your dad drove down here 8 years ago to Miami to attend my dad"s funeral. And drove all by himself!! One of things I was going to tell your dad is that our youngest grandson, born in Barcelona in September has been named Leon Vasallo.....So the name lives on in our family all the way over in Spain where his parents live. God bless you all and please know that we will be praying for your comfort and peace as you feel the loss.\r\n\r\nLove you all.....Dawn and Pete Vasallo

“ Dear Mac and Ricky,\r\nI don"t know if you realize how important your dad was for me when we were growing up. I was happy to be his "bird dog" for a few years along with Sam the dachshund, and always grateful for his calming influence on my dad. The last time I saw him was at my uncle Donald"s funeral. I was surprised how little he had changed. Sorry he has passed. Wishing you the best.\r\n\r\nDanny Douglass

“ My deepest condolences go to your family over the loss of dear Mr. McCook. He will be truly missed. Death is never easy to bear because God never intended for His creation to die but he promises that there will be a resurrection of the righteous and the unrighteous at Acts 24:15 so we will definitely see Mr. McCook again very soon right here on earth according to Psalms 37:9-11& 29. I hope this brings some comfort to your family. Robin A of Orlando FL
