“ Richard, so sorry about your loss. I just saw Uncle Lloyd's obituary online. There are many memories of Uncle Lloyd, all his travels with Aunt Edie to visit family on their way to see FSU in the college baseball world series, going to FSU vs LSU football games in the early 1980's in Baton Rouge when I lived in Louisiana, how caring he was in helping Grandpa with his medicine, talks about how he visited Cuba in his younger days, and visits to my Mom in South Carolina. My daughter Kristin remembers their visit to St Louis and how they loved root beer floats. She said they got the biggest ones she had ever seen at Fitz's in St. Louis for their lunch.

Our deepest sympathies,  
The Hansen family  
(Mikkel, nephew, Sally, sister-in-law, Kristin & Stephanie, grand neices).

Richard(or Randy as I remember you!) my thoughts are with you as you remember your Dad. I ditto Mikkels comments & memories, especially the fun times we had at the FSU/LSU games ! I also remember how proud Lloyd was to show us around his land & greenhouse. He loved his gardening/land.

With loving memories.
