“ Prayers for family , I was blessed to have a opportunity to be apart of her family for about 10 years as a grand child by marriage , but even after that ended she always treated me the same as I am sitting here right now I can remember her laugh and smile and I am so happy that I was blessed to know her, there was never a dull moment when she was around she loves life and loved her family and Mrs. Jean I know you can't read this , but prayers for you I know you are receiving these words, I am sorry you had to leave your family, but I know where you are and I know you are rejoicing!! But for sure you have no more pain and walking those Golden Streets . Live your eternal life Mrs. Jean! Love you until we meet again 🙏🙏

“ Will always have a place in my heart for Aunt Jean. She was without a doubt my favorite aunt. Wish I could have visited more but work seems to get in the way alot. One of my most vivid memories would have to be when a whole bunch of us had went out to eat at Ryan's in Fredericksburg va a total stranger was getting embarrassed by the staff coming to there table clapping to sing them happy birthday. Aunt Jean jumps up from the long table were all seated at starts running and clapping goes to the table with the staff and sings happy birthday with them. She was just to crazy to even describe but man it was fun to be around her. I'm sure she doing some kind of dancing in heaven right now. Rest in peace Aunt Jean.

I had the most amazing opportunity to meet the Walthall's in my office and they were the sweetest couples you ever want to meet. It gives me peace knowing that she and my grandma Dickey are there together. Mrs. Lola say hello to my grandma, Momma and my brother David for me.

“ I am eternally grateful not only for the memories I have as a child growing up around my grandma, but also those I’ve shared with her as an adult. She was certainly one of a kind and encouraged me to always remain true to myself. I’m going to miss you so much, you were definitely not your average Grandma ☐

“ I am going to miss grandma so much!! She was one of a kind and had a fun spirit like no other. She was always willing to help and would give anything to help out with anything or anyone and had the kindest soul I've ever known. We love you and know you're now at peace and enjoying those views. RIP grandma, until we meet again!
