

Mrs Louise Carroll

April 6, 1939 - January 29, 2021

Written by: Louise Carroll

I was born in Perry, Florida on April 6, 1939. My mother was Gertrude Woodard Wilson, my Daddy was Alston T. Wilson. I grew up with two brothers, Lewis Alston Manning (we called him Buddy) and Willis Lamar, one sister, Mae and my Peggy came later after I was married and had two children of my own. Peggy always seemed more like a daughter than a sister to me. I was married to Franklin Carroll December 24th 1954. We had five beautiful children, Frankie, Rhonda, the twins, Brenda and Glenda, and Jamie. From those five children we have 14 grandchildren, 25 great-grandchildren and 2 great-great-grandchildren, of which there are too many to name. I was married to Franklin 58 years on December 24th, 2012. Then, on February 25th, 2013, he joined our daughter, Rhonda, in Heaven. I was also preceded in death by my Mama, Daddy, my older brother, a half-sister and half-brother. I was an active member of Sirmans Baptist Church for 40 plus years, but more importantly, I am a member of God's family. If this is being read then I have no doubt that I am in the presence of my savior, Jesus Christ. I have a wonderful loving family that I love dearly and appreciate all of them very much. I also have a wonderful loving church family that has supported, encouraged and loved me all the time. Please do not grieve for me, but get on with your life. Live for the Lord and be happy! I am survived by my wonderful children and their spouses, all of my beautiful grandchildren and their spouses (the ones

that are married), my sisters Mae and Peggy (Keith) and my brother, Willis. I am also survived by a whole lot of nieces and nephews on my side of the family and on Franklin's side.

Always remember, I love all of you to the moon and back 100 times. Don't be sad, I'm with Gramps and Rhonda.

“ I remember Louise always saying exactly what was on her mind. No beating around the bush That just meant she was honest and you could trust her. When we were little she let us play dress up with her clothes. I grew up next door to her so she was always a part of my life. I ate with her many times and practically lived at her house. I loved her dearly and am so thankful I know without a doubt I will be with her again one day. My mama says she was like a sister to her. She could tell her anything. They enjoy talking on the phone many days. Praying for you all.

I remember how she welcomed everyone at anytime. She was so much fun and always kept you laughing.

I sure have a bunch of find memories of Mrs. Louise. There many interesting bus rides to and from Madison with her at the Helm of the ship. If everyone was good and acted right she would stop at the store so that we could get a snack and I have seen her buy for those who didn't have the money. She even put up with me bringing dead coons on the bus to carry to Mr. James, the custodian, at school. She had a unique relationship with many many children and I was no different. She will be missed.
