“ Deric,
*I am so terribly sorry for your loss. Sincere condolences to you and your family.
I will always be grateful that Martha heard me cry out, and helped me when I fell in my driveway 12/24/2008. She was kind enough to drive me to the emergency room*

*Deric, I have known your mother all of her life. She and I went to each others little childhood birthday parties. She always had the best birthday cakes because her mother was a really good cook. We lost touch with each other for many many years, but found each other not so long ago on the Social media posting. There are no words I can say to stop the grief you are feeling, but know that your mother was a very kind and sweet spirit.
