“ *Our dear Aunt Raye was an extraordinary woman. There are many in the Madison community who will deeply mourn her passing. Her life was one of service, love, compassion and joy. May she rest in peace and may those moments that shone so brightly be the memories that comfort us all now and in the days ahead. We will always remember Aunt Raye as a loving and caring person who always had a smile to help brighten our days. Her love for life and her laughter filled our hearts. We will always treasure our memories with her.*
