“ I was the control room supervisor for a number of years at Madison CI around 2010, so I had the pleasure of processing Ms. Rita in for her chapel services. We had many a wonderful conversation over the years. She is one of the very few who left a lasting impression on me and it brightened my day to see her walking up. I'm so blessed to have had the opportunity to share just a few moments with this lady. My prayers for comfort to the family and friends.
