“ My children, Angel and Sara, knew Mr. Bob as "Santa Claus". They truly loved him and his precious wife. It was so obvious how much they loved children. They would both "light up like a Christmas tree" when they saw my girls. My girls would run to them for their hugs! We were all attending New Testament Christian Center at the time. Thank you to you both for being such a large part of our lives! We love you both so much!
