“ *I am very sorry for your loss Bob was a friend of mine about 25 years. We traveled from florida to New York to Ohio to Tennessee just to pick up different birds. Some for him some for me. We were never in a hurry. Spent many hours talking about everything from birds to Zebras. One of the smartest person I have ever met ❤️💕 and the biggest heart. Went to Scottish festivals where he Mc'd on different stages. We also had alot of fun in different shows in little theater in Jacksonville. He remembered so many limericks that I think some he made up on the fly. Others were so funny 😂 he had me crying with laughter. He was a wonderful soul ❤️❤️💕😭 and a beautiful person. I will miss him. I called him friend 30+ years.

He was the only MAN I knew who could get away with wearing a Christmas ornament for a single earring and no one dare bother him about it.

Always a joy to be with and could speak about anything (and know what he was talking about) He was brilliant!

He was a very special human being and I will miss our communications.

I am sincerely sorry for this great loss.
