Acknowledging the pain her family is going through, I want to express my heartfelt sympathies to her loved ones. Her beauty was not only skin-deep; it was also shone through her actions the way she treated others, and I will always treasure the fond memories I have of our childhood together. Gone from my sight, but never from my heart. Sharon, may you experience peace and eternal serenity in the arms of the angels. Rest in peace my sweet friend. I will net forget you.
