“ Sherry was across the road front yard, back yard neighbors when we lived in Madison. I'm so glad to see her picture with Sherry smiling like she always did. I called Sherry several times through the years hoping she would come for a Class of '68 reunion ,but we never caught up. I'm so glad she is coming back to Madison for her final resting place and I know our class will be there to honor her. As for me , Sherry we will all be together one day In The Sweet By And By!
Love you and love and prayers to your great family.

I'm So very sad for the loss of Sherry. I know what she meant to her family. I pray for comfort for Wanda who has lost a beloved daughter and confidant. I grieve for Heather, whose lost her momma. Sherry was the cool older sister and aunt. I know her brothers and nephew and nieces are going to struggle with her absence. My condolences to the family.
