“ *Family of Mrs. Cutrer: Sending you my sympathy for your loss. I was a student of Mrs. Cutrer's during my elementary school years at Gladys Morse. She made an impression on my life because she was the first person who introduced me to real art. She absolutely loved teaching it. In later years, my step father was Eldred Westberry Sr., leaving me with another connection with Mrs. Cutrer. Although I had no visits with Mrs. Cutrer in my teen or adulthood years, I have fond memories of her as a child. May our Heavenly Father bless you all and give you comfort in your days ahead.*
