“ I have so many memories of you daddy. From all of us sitting in the yard to you taking us fishing. However, my favorite memories will always be the hugs and kisses when I came in and left your house. The way you would hold my face next yours for a few seconds and plant a few kisses on my cheek. The "what is the hurry " every time I started to leave. The one that will forever be etched in my brain no matter how old I was, the "good night, I love you, and sweet dreams". Rest in Peace my sweet daddy, my forever angel, good night, I love you, and sweet dreams.
