Her grandchildren: Jason Wall, Jennifer Wall Wren, Jonathan Wall, Nathan Bell, Stephen Bell, Ronald Denman, Rachel Denman, Regina Denman, Randol Denman;

23 great grandchildren, numerous nieces, nephews, extended family, and friends.

Our momma, Sue Wall, was an exceptional woman who showed great strength of character, and great love for God, family, and others. Much could

be said of how her life was filled with adventures and many interests, achievements, and talents. Anyone who knew her could tell stories of her love, wisdom, sharp mind, and quick wit. She was unpretentious, a devout Christian, a remarkable Bible teacher, and a top-notch nurse for over 50 years. Her many hobbies included reading, art (painting, quilting, sewing, tatting), traveling, car mechanics, handyman, gardener, and collecting all sorts of “treasures!”.

She rarely complained, always had a listening ear, and she provided an excellent example of Christian charity to all who knew her.

The family wishes to extend special thanks to Bristol Hospice for their loving care during her final weeks and to all those who came by or called to visit, sing, pray, read, or talk to her and shower her with love. It is much appreciated.

Graveside services will be held on Saturday, October 9, 2021 at 11:00am at Pine Grove Baptist Church.
