“ I am so sad to hear of Wes passing. He sure knew how to run heavy equipment and ABSOLUTELY had a talent for it. Opie, I hope you're up there looking down on this beautiful land you cleared where my home has sat for the past 23 years. You had a beautiful smile and a fabulous personality. A kind spirit who never met a stranger. I pray that you are up there having a beer with dad and that God wraps his arms around your family. You are gone too soon but, you've left a legacy that won't be forgotten. Godspeed.
