“ Captain Norm Clark put a lot of miles under his keel over the years. Mexico, Bahamas, U.S. Eastern Seaboard, etc. A fine captain and a great shot with both shotguns and spears. He'll be missed in a lot of marinas and anyone that knew him will have a fond story of him. Smooth sailing and wind at your back, my friend.

Capt Norman taught me alot about fishing & diving over the years. My family treasured trips with him in the Bahamas. Great times! Sorry to hear of his passing. My condolences to his family.
